REPORT OF THE INDEPENDENT AUDITOR

TO SEA POINT, FRESNAYE AND BANTRY BAY RATEPAYERS AND RESIDENTS ASSOCIATION

We have audited the annual financial statements of Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association which comprises the Committee members' report, the statement of financial position as at 31 December 2015, the statement of detailed comprehensive income and expenditure, the statement of funds and reserves and statement of cash flows for the year then ended, a summary of significant policies and other explanatory notes.

Committee members' Responsibility for the Financial Statements

The Committee members are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SME's) and in the manner required by the constitution of the association. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these annual financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the annual financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the annual financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee members, as well as evaluating the overall presentation of the annual financial statements.

REPORT OF THE INDEPENDENT AUDITOR

TO SEA POINT, FRESNAYE AND BANTRY BAY RATEPAYERS AND RESIDENTS ASSOCIATION

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Audit opinion

In our opinion the annual financial statements fairly present, in all material respects, the financial position of the association at 31 December 2015 and the results of its operations and cash flows for the year ended in accordance with IFRS for SME's and in the manner required by the constitution of the association.

Emphasis of matter

Without qualifying our opinion, we draw attention to the following:

Reserves and funds

We cannot comment on the adequacy of the reserves and funds that are set a side for the future maintenance of areas that are of concern to, or the responsibility of, the residents association.

Accounting and Secretarial duties

With the consent of the Committee members we have performed certain accounting and secretarial duties, which includes the preparation of the financial statements.

This report is of no force or effect unless the financial statements and trustees report has been signed by two trustees as required by the Sectional Titles Act, Act 95 of 1986.

Annual Financial Statements for the year ended 31 December 2015

COMMITTEE MEMBERS' RESPONSIBILITIES AND APPROVAL

The committee members are required by the constitution of the association, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is the committee members' responsibility to ensure that the annual financial statements fairly present the state of affairs of the association as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with IFRS for SME's and the constitution of the association. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with IFRS for SME's and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The committee members acknowledge that they are ultimately responsible for the system of internal financial control established by the association and place considerable importance on maintaining a strong control environment. To enable the committee members to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. These standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the association and all employees are required to maintain the highest ethical standards in ensuring the association's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the association is on identifying, assessing, managing and monitoring all known forms of risk across the association. While operating risk cannot be fully eliminated, the association endeavors to minimize it by ensuring that appropriate infrastructure, controls, systems and ethical behavior are applied and managed within predetermined procedures and constraints.

The committee members are of the opinion, based on the information and explanations given by the committee members and management structures, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable and not absolute, assurance against material misstatement or loss.

The committee members have reviewed the association's cash flow forecast for the year to 31 December 2016 and in light of this review and the current financial position, they are satisfied that the association has or has access to adequate resources to continue in operational existence for the foreseeable future.

Items of property plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

2.4 Trade and other receivables

Trade and other receivables are measured at amortised cost using the effective interest method.
