

SEA POINT FRESNAYE BANTRY BAY RATEPAYERS & RESIDENTS ASSOCIATION

Dear Ratepayers & Residents

Homelessness and vagrancy is one of the major challenges facing all of us in our neighbourhoods, city and country. Every day we pass people who live on the streets and many of us want to help. It is important to acknowledge that not all homeless fall into the same category. Some are down and out and want desperately to get back on their feet whilst for others life on the streets is something they don't want to escape from; there are also those involved in criminal activity. When we give handouts, though our intentions are good, we are often aiding them to stay on the streets.
