

SEA POINT FRESNAYE BANTRY BAY RATEPAYERS & RESIDENTS ASSOCIATION

WHAT IS A RATEPAYERS ASSOCIATION?

A Ratepayers association is a civic organisation recognised by the City of Cape Town and is registered with the sub-council but does not have a legal jurisdiction in terms of the City. There is no specific framework or by-law around ratepayers organisations. However, once civic organisations are registered on the database, they are circulated with copies of all draft by-laws, policies, liquor licence applications, etc. for comment. Should the Ratepayers Association indicate an interest in planning matters, planning applications will also be circulated to them for input. In summary, once registered, organisations are consulted in terms of public participation processes.

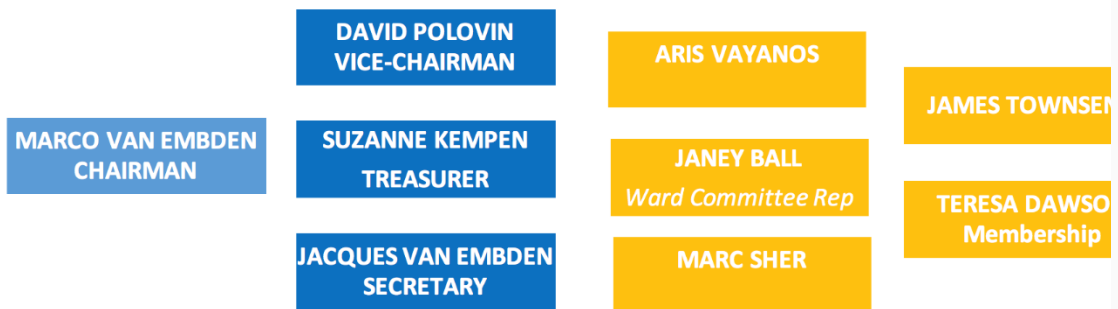

SFB AGM

On 13 April SFB held their AGM at the President Hotel. It was well attended with interactive participation from members and residents. SFB displayed big posters of their Crime & Grime membership list of blocks and hotels & restaurants signed up in Phase 1 and those still not paying.

CRIME & GRIME OVERVIEW AND UPDATE

Just over a year ago, in response to a noticeable increase of crime and grime in the neighbourhood, SFB undertook to replicate Mouille Point's successful security and cleaning project in Sea Point. With SAPS resources under increasing pressure and an ever increasing influx of people to the area the need was obvious.

SFB EMPLOYS A FIELDWORKER

The SFB team undertook together with Mouille Point Ratepayers to employ a fieldworker, Jantjie Booysen. Jantjie works part-time in the Phase 1 area (Beach Rd to Saunders). He has helped to reunite a number of homeless with their families and assisted many to get back on their feet and into a shelter.
