Annual Financial Statements for the year ended 31 December 2025

## **Executive Committee's Responsibilities and Approval**

The executive committee is required by the Constitution, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the organisation as at the end of the financial year and the results of its operations and cash flows for the year then ended, in conformity with the basis of accounting described in Note 1. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with the basis of accounting described in Note 1 and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The executive committee acknowledge that they are ultimately responsible for the system of internal financial control established by the organisation and place considerable importance on maintaining a strong control environment. To enable the executive committee to meet these responsibilities, the executive committee sets standards for internal control aimed at reducing the risk of error or deficit in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the organisation and all employees are required to maintain the highest ethical standards in ensuring the organisation's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the organisation is on identifying, assessing, managing and monitoring all known forms of risk across the organisation. While operating risk cannot be fully eliminated, the organisation endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The executive committee is of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or deficit.

The executive committee have reviewed the organisation's cash flow forecast for the year to 31 December 2026 and, in the light of this review and the current financial position, they are satisfied that the organisation has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the organisation's annual financial statements. The annual financial statements have been examined by the organisation's external auditors and their report is presented on pages 6 to 7.

The annual financial statements set out on pages 8 to 14, which have been prepared on the going concern basis, were approved by the executive committee on 20 March 2026 and signed on it's behalf by:

## Executive Committee's Report

---

The executive committee have pleasure in submitting their report on the annual financial statements of Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association for the year ended 31 December 2025.

### 1. Nature of business

Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association was incorporated and operates in South Africa with interests in the safety of its residents and the protection and enhancement of the area

There have been no material changes to the nature of the organisation's business from the prior year.

### 2. Review of financial results and activities

The annual financial statements have been prepared in accordance with Entity specific basis of accounting and the requirements of the Constitution. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the organisation are set out in these annual financial statements.

### 3. Executive Committee

The committee members in office at the date of this report are as follows:

| <u>Executive Committee</u>                   | <u>Changes</u>       |
|----------------------------------------------|----------------------|
| R. Harris (Chairperson and acting Treasurer) |                      |
| G. Metz (Vice Chairperson)                   |                      |
| J. Duguid                                    | Resigned 20 May 2025 |
| G. Ford                                      |                      |
| M. October                                   |                      |

### 4. Committee members' interests in contracts

During the financial year, no contracts were entered into in which the committee members or officers of the organisation had an interest and which significantly affected the business of the organisation.

### 5. Events after the reporting period

The executive committee is not aware of any material event which occurred after the reporting date and up to the date of this report.

Annual Financial Statements for the year ended 31 December 2025

## **Executive Committee's Report**

---

### **6. Going concern**

The executive committee believes that the organisation has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The executive committee have satisfied themselves that the organisation is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The executive committee is not aware of any new material changes that may adversely impact the organisation. The executive committee is also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the organisation.

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of operations.

### **7. Auditors**

GL Palmer and Company continued as auditors for the organisation for 2025.

## Independent Auditor's Report

**To the Executive Committee of Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association**

### Qualified Opinion

We have audited the annual financial statements of Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association (the organisation) set out on pages 8 to 14, which comprise the statement of financial position as at 31 December 2025, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, the annual financial statements of Sea Point, Fresnaye and Bantry Bay Ratepayers and Residents Association for the year ended 31 December 2025 are prepared, in all material respects, in accordance with the basis of accounting described in Note 1 to the annual financial statements and the requirements of the Constitution.

### Basis for Qualified Opinion

In common industries with similar organisations it is not feasible for the organisation to institute accounting controls over cash collection from all sources of donations received prior to the initial entry of the collection in the accounting records. Accordingly it was impractical for us to extend our testing beyond the receipts actually recorded from all donations.

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of our report. We are independent of the organisation in accordance with the sections 290 and 291 of the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (Revised January 2018), parts 1 and 3 of the Independent Regulatory Board for Auditors' Code of Professional Conduct of Registered Auditors (Revised November 2018) (together the IRBA Codes) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities, as applicable, in accordance with the IRBA Codes and in accordance with other ethical requirements applicable to performing audits of financial statements in South Africa. The IRBA Codes is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) respectively. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the annual financial statements of the current period. These matters were addressed in the context of our audit of the annual financial statements as a whole, and in forming our opinion thereon, and We do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

## **Responsibilities of the Executive Committee for the Annual Financial Statements**

The executive committee is responsible for the preparation of the annual financial statements in accordance with the basis of accounting described in Note 1 to the annual financial statements and the requirements of the Constitution, for determining that the basis of preparation is acceptable in the circumstance and for such internal control as the executive committee determines is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibilities for the Audit of the Annual Financial Statements**

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the executive committee.
- Conclude on the appropriateness of the executive committee's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organisation to cease to continue as a going concern.

We communicate with the executive committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annual Financial Statements for the year ended 31 December 2025

## Accounting Policies

---

### 1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the accounting policies as set out below. The annual financial statements have been prepared on the historical cost basis,. They are presented in South African Rands.

These accounting policies are consistent with those applied in the previous year.

#### 1.1 Property, plant and equipment

Property, plant and equipment are tangible assets which the organisation holds for its own use or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Cost includes costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

The useful lives of items of property, plant and equipment have been assessed as follows:

---

| Item              | Depreciation method | Rate   |
|-------------------|---------------------|--------|
| Office equipment  | Straight line       | 20%    |
| Computer software | Straight line       | 33.33% |

#### 1.2 Revenue

Revenue is measured at the fair value of the consideration received, donations received and funds raised.

Interest is recognised, in surplus or deficit, using the effective interest rate method.
